G. CARSON KENTON, Editor.
All business communications to be ad-
dressed, Manager Daily Bulletin, Post
Office Box No. 14.
J. G. CLEVELAND, Manager.

"Sam," said old Jake to his son,
"what branches is yer studyin' at
school?" "I am studying several,
grammar among the number," an-
swered the boy. "Studyin' gram-
mar is yer? Wat has yer learned'
bout it ter day?" "I have learned
that two negatives make one affirma-
tive." "Splain de situation ter de
ole man." "Why, a negative is
'no,' and an affirmative is 'yes.'
That is a plain as I can make it."
"I'se glad that yer's splained. Now
look heah, Sam. Didn't yer steal
dat haffer dollar outen de drawer?"
"No, sir." "Tell me de truf, Sam.
Didn't yer take dat money?" "No,
sir." "Come heah ter me, sah, fur
yer's dun knowledge it. Said 'no'
twist-dat means yes. Oh, I'se
forced yer inter 'fession!" and the
old man thrashed the boy until the
money was surrendered.

Statistics have been published in
England, showing the amount of
proof spirits distilled, imported, and
consumed in the United Kingdom
during the year 1881. They give a
total distillation of 39,264,811 gal-
lons, of which 10,623,803 were dis-
tilled in England, 18,998,487 in
Scotland, and 9,642,519 in Ireland.
Duty was paid on 29,771,426 gal-
lons, and 28,730,719 gallons were
consumed—17,044,967 gallons in
England, 6,562,259 in Scotland, and
5,123,463 in Ireland. The amount
in bonded stores at the end of the
year was 49,354,510 gallons, of
which 7,758,133 were in England,
20,718,464 in Scotland, and 20,877,-
913 in Ireland.

The committee having in charge
the erection of the Garfield Memorial
Church in Washington is making
rapid progress with the work.
Ground was broken on May. 23, the
and foundation was commenced on
June 13, and the corner-stone will
be laid, with the usual public cere-
monies, on July 2, one year from
the day President Garfield was shot.
President Hinsdale, of Hiram Col-
lege, Ohio; the Hon. Messrs. A. S.
Willis, of Kentucky, and A. H.
Pettibone, of Tennessee, have ac-
cepted invitations to deliver address-
es on the occasion. A general in-
vitation is extended to prominent
members of the church throughout
the country to be present.

At Stockholm has just appeared a
book which will widely interest the
geographers, although only 200
copies of it have been printed. It
bears the title "Le Livre de Marco
Polo; fac simile d'un manuscrit du
14 siecle, conserve a la Bibliotheque
Royale de Stockholm, publie avec
preface par A. Nordenskjold." The
manuscript dates from the first
half of the fourteenth century, and
came originally from the library of
Charles V. of France. It is a nar-
rative of the celebrated Venetian's
travels, and, of course, it has a spe-
cial value from being so early in
date.

Disraeli paid \$100 a share for the
176,602 shares of Suez Canal stock
he bought for the British Govern-
ment. Disraeli's investment has paid
England about \$25,000,000, and eigh-
ty-two per cent of the tonnage pas-
sing through the Canal is hers. This
investment is, of course worth fight-
ing for aside from England's claims
on the Egyptian Government for
loans made to Ismail by Englishmen.
